

13) THE PASSION AND DEATH OF JESUS

Read and Pray with all or part of Mark 14:43-15:47 or find a Stations of the Cross (written or on the internet) and pray with it

Keep in mind:

There are three responses to Jesus' suffering and death: an increase of cruelty, a horror at the scandal, and a deep compassion and love. Try to approach the Passion and Death of Jesus with deep compassion and love for Him

For your journal or notes:

Does it seem that God is saying something in particular to me?

Did I find that my love for the Lord increased as I spent time meditating on His suffering?

Are there insights that came to me from the Scripture passage or from my prayer?
